

PC Repair Service

\$25

Full Software Diagnostics and Repair*
Virus/Spyware Removal*
System Tune-up
Hardware Installation*
Upgrades*
New PC Set-up and Configuration*

Have a broken computer or one that is just not working quite right? Our students can repair your computer with the same level of technical know-how and confidentiality that you would receive from your local computer repair shop.

Have an old PC lying around the house or are you planning on getting a new PC? Donate your old computer and receive a coupon for a future repair service.

Have Questions? Contact us: computerrepairqhs@gmail.com

* Additional costs may apply for necessary hardware or software. If needed, we will let you know what to get and where you can get it. You bring it in and we will take it from there.
